LETTER OF CONGRATULATIONS

THE INTERNATIONAL EXHIBITION ON
**MACHINERIES & TECHNOLOGIES
OF AGRICULTURE, FORESTRY, FISHERY**
VIETNAM GROWTECH 2018

The Ministry of Science and Technology would like to send a warmly welcome to the participants of The 2nd International Exhibition on Machineries and Technologies of Agriculture - Forestry - Fishery - VIETNAM GROWTECH 2018, take place in Center International Trade Fair Hanoi I.C.E 91 Tran Hung Dao, Hoan Kiem, Hanoi, from 21-23 November 2018.

On the economic development progress of the world, Science and technology have always played an important role in the improvement of the labor productivity and production efficiency. Especially, nowadays, the information technology has made a great contribution to the success of many fields and aspects of the society, notably in Agriculture.

I believe that the GROWTECH International Exhibition would be a win-win situation for both Vietnam and foreign technological enterprises to approach the latest scientific knowledge, to commercialize the product, and to explore the promising corporation opportunities. In addition, the exhibition is also a powerful platform for wide range exhibit associated with Agriculture - Forestry - Fishery related equipment and technologies. Furthermore, the business matching programme brings the attendees exclusive chances to expand the market to select the appropriate business partners from countries with advanced Agriculture industry including Japan, Korea, Israel, Australia, Netherlands, Taiwan... generating an environment in which technology and science play a crucial part in the development of the Agriculture field.
